

A BILL TO BE ENTITLED

AN ACT

To amend Chapter 4 of Title 50 of the Official Code of Georgia Annotated, relating to the organization of the executive branch generally, so as to establish the "Georgia Government Accountability Act"; to provide for a short title; to provide for legislative intent; to create the Legislative Sunset Advisory Committee; to authorize the committee to review and evaluate state agencies' productivity, efficiency, and responsiveness; to provide for the automatic abolition of certain state agencies; to provide for exceptions; to provide for related matters; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Chapter 4 of Title 50 of the Official Code of Georgia Annotated, relating to the organization of the executive branch generally, is amended by designating Code Sections 50-4-1 through 50-4-7 as Article 1 and by adding a new article to read as follows:

"ARTICLE 2

50-4-20.

This article shall be known and may be cited as the 'Georgia Government Accountability Act.' It is the intent of the General Assembly to establish a method by which the efficiency of state government shall be reviewed and the productivity of each agency evaluated. This article is meant to ensure that the valuable resources of the state are best utilized and that state agencies are held accountable for their service to the public and responsiveness to the needs of the citizens of this state.

50-4-21.

There is created as a joint committee of the General Assembly the Legislative Sunset Advisory Committee to be composed of seven members of the House of Representatives

1 appointed by the Speaker of the House and seven members of the Senate appointed by the
 2 President of the Senate. The members of the committee shall serve two-year terms
 3 concurrent with their terms as members of the General Assembly. The chairperson of the
 4 committee shall be appointed by the President of the Senate from the membership of the
 5 committee, and the vice chairperson of the committee shall be appointed by the Speaker of
 6 the House from the membership of the committee. The chairperson and vice chairperson
 7 shall serve terms of two years concurrent with their terms as members of the General
 8 Assembly. Vacancies in an appointed member's position or in the offices of chairperson or
 9 vice chairperson of the committee shall be filled for the unexpired term in the same manner
 10 as the original appointment. The committee shall advise the General Assembly regarding the
 11 agency sunset provisions required by this article.

(h) Agency review shall be repeated every seven years following the agency's initial review date as set forth in this Code section.

50-4-23.

(a) Except as provided by this Code section, an agency subject to review by the Legislative Sunset Advisory Committee shall be abolished on June 30 following the date of review specified in Code Section 50-4-22 unless the legislature continues the agency; however, an agency shall not be abolished unless the General Assembly finds that the state laws that the agency is responsible for implementing or enforcing have been repealed, revised, or reassigned to another remaining agency and that adequate provision has been made for the transfer from the abolished agency to a successor agency of all duties, debts, and obligations, including those relating to bonds, loans, promissory notes, lease-purchase agreements, installment sales contracts, financing agreements, or any other form of indebtedness such that security therefor and the rights of bondholders or holders of other indebtedness are not impaired.

(b) If the General Assembly does not take action before the date of abolishment to continue the agency, the agency shall submit its legislative budget request consistent with the recommendations of the appropriate Legislative Sunset Advisory Committee review or any law transferring the agency's functions to other entities.

(c) Any agency established by constitutional provision shall not be subject to automatic abolishment as provided in subsection (a) of this Code section. The committee shall review the constitutionally established agency in the same manner and shall report to the General Assembly any recommended constitutional amendments needed for the reorganizing or abolishing of such constitutionally created agency.

1 50-4-24.

2 (a) Not later than January 1 of the year preceding the year in which a state agency is
3 scheduled to be reviewed, the agency shall provide the Legislative Sunset Advisory
4 Committee with a report outlining the agency's efficiency and productivity and the extent to
5 which the agency utilizes state resources to best meet the needs of the public.

6 (b) The report required by this Code section shall, at a minimum, include the following:

7 (1) A comprehensive list of state programs and services performed by the agency,
8 including all special purpose activities undertaken to realize identifiable goals and
9 objectives in order to achieve the agency's mission and legislative intent;

10 (2) An accounting of state resources spent by the agency;

11 (3) An explanation of factors that have contributed to any failure to achieve legislated
12 standards or directives;

13 (4) The extent to which the agency has encouraged participation by the public in making
14 its rules and decisions and the extent to which public participation has resulted in rules
15 compatible with the objectives of the agency;

16 (5) A statement of any statutory objectives intended for each program and activity, the
17 problem or need that the program and activity are intended to address, and the extent to
18 which these objectives have been achieved;

19 (6) An assessment of the extent to which the jurisdiction of the agency and its programs
20 overlap or duplicate those of other agencies and the extent to which those programs can be
21 consolidated with those of other agencies;

22 (7) A self-examining assessment of the agency's efficiency and areas of needed
23 improvement, including goals and objectives for improvement, and the means by which the
24 agency intends to meet these goals and objectives;

25 (8) Recommendations for statutory or budgetary changes that would improve the agency's
26 programs and operations, reduce costs, or improve services to state residents;

27 (9) The effect of federal intervention or loss of federal funds if the agency, or any of its
28 programs or activities, is abolished;

29 (10) An assessment of alternative methods of providing services for which the agency is
30 responsible which would reduce costs or improve performance while adequately protecting
31 the public interest;

32 (11) A summary of the extent to which the agency enforces laws relating to potential
33 conflicts of interest with its employees;

34 (12) An outline of employee disciplinary actions taken by the agency in the past five years
35 summarizing the basis for employment decisions and the actions taken; individual

employee identification shall not be included in the report unless specifically requested by the committee;

(13) A detailed summary of the agency's hiring and retention patterns for the previous five years;

(14) An assessment of the extent to which the agency has corrected any deficiencies and implemented recommendations contained in any state or federal audits or court decisions;

(15) A list of all advisory committees and boards, whether established in statute or by the agency; their purposes, activities, composition, and expenses; and an assessment of the extent to which their purposes have been achieved and the rationale for continuing or eliminating each advisory committee or board;

(16) A list of agency programs or functions that are performed without specific statutory authority; and

(17) Other information as requested by the committee or any study committee created under the committee's direction.

(c) Information and data reported by the agency shall be validated by the agency's chief executive before submission to the committee.

50-4-25.

(a) No later than March 1 of the year in which a state agency is scheduled to be reviewed by the Legislative Sunset Advisory Committee, the committee shall:

(1) Review the information submitted by the agency;

(2) Consult with or hear testimony from any individual, agency, private company, or other expert as needed;

(3) Hold public hearings to consider this information as well as testimony that the committee deems necessary; and

(4) Present to the President of the Senate and the Speaker of the House of Representatives a report on the agencies scheduled to be reviewed that year by the committee. In the report, the committee shall include its specific findings and recommendations regarding each agency review and indicate whether a public need exists for the continuation of a state agency or for the functions of the agency.

(b) The committee shall consider the following criteria in determining whether a public need exists for the continuation of a state agency or agency function:

(1) The efficiency with which the agency operates;

(2) The statutory objectives of the agency and the problem or need that the agency is intended to address, the extent to which the objectives have been achieved, and any activities of the agency in addition to those granted by statute and the authority for these activities;

(3) An assessment of less restrictive or alternative methods of providing any regulatory function for which the agency is responsible while adequately protecting the public;

(4) The extent to which an advisory committee or board is needed or used;

(5) The extent to which the jurisdiction of the agency and the programs administered by the agency overlap or duplicate those of other agencies and the extent to which the programs administered by the agency can be consolidated with the programs of other agencies;

(6) Whether the agency has recommended to the legislature statutory changes calculated to be of benefit to the public;

(7) The promptness and effectiveness with which the agency responds to the public's complaints and the extent to which the agency has encouraged participation by the public in making its rules and decisions;

(8) The extent to which the agency has satisfied requirements of state law, safeguarded public health, safety, and welfare, and utilized state resources;

(9) The extent to which the agency accurately reports performance measures used to justify state spending on each of its activities, services, and programs;

(10) The effect of probable federal intervention or loss of federal funds if the agency or an agency function is abolished; and

(11) The extent to which changes are necessary in the enabling statutes of the agency so that the agency can adequately comply with the criteria of this article.

(c) In its report on an agency, the committee shall make recommendations on the abolition, continuation, or reorganization of such agency and on the need for the continuation of the functions of the agency. The report shall also make recommendations on the consolidation, transfer, or reorganization of an agency's programs when those programs are duplicated by another agency.

(d) It shall be the responsibility of the committee to prepare drafts of legislation necessary to carry out the committee's recommendations."

SECTION 2.

All laws and parts of laws in conflict with this Act are repealed.
